

DR. Khaled B. Abuain

From: Libya

Mob: 00218-94-4867752

E.mail khaled.b.abuain@gmail.com

1995-2000 Lecturer assistant

2000-2019 Lecturer

2019-2020 Assistant Professor

Education: Calicut University (India)

***PhD** of Computer Science
received in December (2013)

Indiana State University (U.S.A)

***Master** of Science received may (1991)

Major Computer and Electronics Technology

***Bachelor** of Science received December (1987)

Major Computer Technology

***Bachelor** of Science received December (1987)

Major Electronics Technology

***Mayfield High School**

Las Cruces New Mexico (U.S.A)

Diploma received may, 1982

Key Graduate Courses

Medical Image Compression.

Computer Interface.

Robotic Elec Control.

Research Elec & Comp Tech.

Key Undergraduate Courses

Theory of Computation.

C, C++, Software Engineering.

Microprocessor Org. Solid State Elec.

Digital Circuit. Digital logic.

Large Scale Intg Circuit.

Circuit Analy I & II.

Employment

Experience: (Libya)

Tripoli University

Medical College

***2000-2022 Information-Technology Coordinator**

●Responsibilities: practical exam, Viva,
Writing Syllabus, Guiding Students for their
academic
projects, Evaluating Students Performance.

*** 2013-2018 The Municipality Undersecretary**
of Souq-Alkmees Amsahel.

Employment

Experience: (U.S.A)

Summer of (1989)

Indiana State University Computer Center:

***Coordinator of Employee Training**

1989 Senior Consultant Macintosh Lab.

1988 Computer Consultant.

1987 Computer Monitor.

Responsibilities: enforcement, supervising students and training faculty members.

Accomplishments: established policies and created documents for workshops ; one of four students selected to teach workshops.

***Graduate Assistant.**

Department of Electronics and Computer Technology

Indiana State University, Terre Haute, IN 47809.

Duties-assisting students in programming project work.

Honors:

Indiana State University (U S A).

Awarded Graduate Scholarship for MSC

and Electronics Technology at **Indiana State**

University (U S A).

Tripole University. (Libya)

Awarded Graduate Scholarship for PhD in Computer.

Since at **Calicut. University (India)**

Research Papers:

1. Khaled B Abuain and P. Rameshan Medical Image compression using WT National Conference on Computer Science and Communication Technology NCSCT-2007, Trichy.
2. Khaled B Abuain and P. Rameshan Topology Based Grid Computing , International Conference on Advanced Computing, ICAC-2009, Coimbatore.
3. Khaled B Abuain and P. Rameshan Computational Complexity in Image Compression, National Conference on Innovations in IT NALCIT 2010, Pollachy.
4. Khaled B Abuain and P. Rameshan Wavelets in Image Compression, National Conference on Communication and information technologies ETCIT 2010,bangalore.
5. Khaled B Abuain and P. Rameshan Performance Analysis of Images Compression Methods , National Conference on Advanced Computing Technology, NCACT-20011 Udumelpet.
6. Khaled B Abuain and P. Rameshan Performance Analysis of Images Compression Techniques, IEEE Transaction on informatic Technology in Biomedicine 2011 (Communicated).
- 7.Khaled B Abuain and P.Rameshan Medical image charecterization though optmal parameters of performance Journal of Radiology 2012(submitted)

In addition to my education and experience, other attributes include: organizational skills, leadership, working well under pressure, compatibility with other people as well as being a team player.
